Pacnet DataVault Introductory Promotion

33% off on Desktop Backup License and Storage

Today, information is the most valuable asset of many companies. However, the quantity of data is growing beyond the ability of an enterprise to manage it effectively.

How much of your company's business-critical information is stored in various single-user devices (e.g. laptops) of which you may not have day-to-day control? Imagine the loss you may incur if these devices were lost or stolen or the data is accidentally deleted!

Pacnet wants you to experience the peace of mind that comes from knowing your data is safe, secure and instantly retrievable. Take advantage of Pacnet DataVault's time-limited [introductory promotion](#) – up to 33% discount on license and storage charges for the Pacnet DataVault desktop backup service.
